

# National AI Excellence Scholarship 2026

## Official Guidelines & Requirements Specification

### Section 1: Academic Eligibility

- 1.1 Candidates must maintain a minimum cumulative Grade Point Average (CGPA) of 3.5 on a 4.0 scale.
- 1.2 Proof of enrollment in an accredited Computer Science or Artificial Intelligence degree program is mandatory.

### Section 2: Required Application Documents

- 2.1 Official Academic Transcript showing all coursework completed to date.
- 2.2 Comprehensive Curriculum Vitae (CV) outlining relevant technical skills, publications, and projects.
- 2.3 Official Letter of Recommendation from a Department Head or Academic Advisor.
- 2.4 Personal Statement (500–800 words) detailing research interests and future vision in AI.

### Section 3: Special Conditions & Thresholds

- 3.1 Applicants with a CGPA between 3.2 and 3.49 require conditional review (Warning Status).
- 3.2 Missing mandatory documents will result in an immediate application halt (Missing Status).
